

Ombrone, the Etruscan Wine

Directed by: Francesco Adolini
Produced by: SD Cinematografica
Duration: 26 min.
Versions:
Format: HD

This film explores the ancient winemaking traditions of the Etruscans, recounting stories of millenary vineyards, historical tools, and legends that shape Tuscany's viticultural heritage. Francesco Mondini and Riccardo Chessa guide us through a world where wine is not just a beverage but a cultural, spiritual, and symbolic legacy — an interplay of science and magic, past and present.
