

Domus de Janas

Directed by: Antonio D'Onofrio & Salvatore Bacciu

Produced by: SD Cinematografica

Duration: 30'

Versions: 

Format: SD

Shrouded in mystery, the Domus de Janas are the most imposing testimonies of a Sardinian ancient civilisation which goes back to 3,500 years BC, in the Neolithic period.

Here lived the first shepherds, in a hostile world populated by many wild creatures and subjected to natural forces often difficult to comprehend.
