Format: SD

I know...I look funny with this weird hat! And how about my eyes which look like two periscopes? I am actually a shellfish...My name is...hermit crab! This beautiful transparent flower is an animal...Her name is Snakelocks Anemone and she lives with me. She is a good friend of mine! Well, I like to have company over...and she is a perfect ally, she protects me with her poisonous tentacles, which don't bother me at all...
