

# Otter

**Directed by:** Lodovico Prola  
**Produced by:** SD Cinematografica & Ditta Prola  
**Duration:** 8'  
**Versions:**    
**Format:** SD

I'm the Queen of the river...the crystal waters are our passion. Luckily we otters are champion swimmers and unbeatable fishermen. Humans are taking all the available space! Don't pollute, have you heard??? We don't want that, leave us in peace, agreed? OK? Streams, waterfalls, clear waters...I'm sure all of you like them too. And for us they mean life!
