

The landscape with the orange flag

Directed by: Daniele Cini

Format: HD

There's a land between the mountains and the sea, right at the Italian border with France, that recently has become a Regional Park. Its peculiarity, together with the great variety of its environments, is the presence of a landscape that has been colonized by man for centuries and that now has partially gone back to its wilderness: a landscape now protected, which has also been awarded with the Touring club "orange flag" for three of its beautiful villages. A twenty-year old breeder and a young naturalist with a passion for bats, together with a repentant fisherman who studies the river prawns and an old lady who cooks following the ancient tradition of the "white cousin", will guide us in this wonderful park at the border.
