

# The Serengeti of insects

---

**Directed by:** Francesco Petretti  
**Produced by:** Diomedia Studium  
**Duration:** 49 min  
**Versions:**    
**Format:** HD

The Saga pedo is not a lion or a leopard, it is simply a predatory bush cricket. It is able to kill creatures which are as big as itself and so it can be considered the true king of the creatures that inhabit the Mediterranean steppe in the south of Italy, where animals are born and die every day just like in the most spectacular African savannah. Important shots Saga pedo hunting, Empusa pennata feeding, Praying mantis complete life cycle, Mediterranean black widow spider hunting, Ant lion catching ants, Grasshopper communal nuptial display, Bush crickets complete life cycle.
