A fascinating journey through this magical land and through its history, which winds between the past and the present. An extraordinary historic centre, churches and buildings of great artistic value, ancient walls, towers, fortresses and abbeys founded in the mists of time: these are the first images that welcome visitors to Cesena. A port dating back to the sixteenth century, a medieval tower, ancient columns, historic memories and maritime traditions: this is Cesenatico. In our journey we meet characters who live in Cesena and Cesenatico and who guard their cultural identity like a precious treasure.
