

Molise of traditions

Directed by: Daniele Cini

Duration: 26 min.

Format: HD

Molise is one of those regions known to few, also because its mountainous shape and the absence of large cities, keeps it outside the main routes. In these evocative but isolated landscapes, traditional activities unique in Italy are maintained. Like that of the construction of the bagpipes, in Scapoli, a village on the border with Lazio and Abruzzo. Or the art of lace, kept by the women of Isernia as well as the perforated steel in Campobasso. But the most significant capital for Molise craftsmanship remains the city of Agnone, where the art of copper develops alongside the oldest bell foundry in Italy, an authentic glimpse of the Middle Ages that has remained intact to this day.
