The Sannio of Benevento area develops between Campania, Molise and Puglia. In this strategic crossroads between different populations, the Samnites have developed some artisan excellences that have allowed them to trade and develop more than any other province of Campania: as in Cerreto Sannita, where after a terrible earthquake, an economy of reconstruction was reborn that has favored the flowering of local ceramics, or to San Marco dei Cavoti, which has become the home of torrone and croccantino, or to Sant'Agata dei Goti, in the center of an important wine-growing valley, where one of the most prized Campanian wines has developed: Falanghina. But the center of this Samnite land remains Benevento, a city full of history and dominated by a legendary figure that inspires one of its most famous liqueurs, the witch.
