

Civita di Bagnoregio

Directed by: Paolo Sodi
Produced by: SD Cinematografica
Duration: 25 min
Versions: 
Format: UHD

The first lights of the sun penetrate the morning haze of the Calanchi Valley, a land out of time located in upper Lazio, between Lake Bolsena and the Tiber Valley. In the middle of the valley stands Civita di Bagnoregio: an ancient village gathered on the summit of a spur that is inexorably corroding year after year.
