
Braies and its Inhabitants

Directed by: Paolo Sodi
Produced by: SD Cinematografica
Duration: 25 min.
Versions:
Format: HD & UHD

This documentary takes us to the heart of the Braies Valley, among the wonders of the Dolomites, ancient villages, and rural traditions. Following the stories of Elisabeth, David, and their family, we explore a world of changing seasons, craftsmanship, local cuisine, and respect for nature. A tale of deep roots and unconditional love for this Alpine paradise, preserved through time and in the hearts of its inhabitants.
